#107

 This mitzvah includes all of the halachos of Tumas Meis, and does not have a specific posuk we learn it from.

Today (and for the next week!) we will be learning the same *mitzvah*: If someone gets *Tomei* with *Tumas Meis* (the *tumah* from a body after the *neschama* leaves it), he needs to follow the *halachos* about what he is not allowed to do, and how to become *Tahor* again.

Rambam: Hilchos Tumas Meis

PEREK GIMMEL

A person can get *Tumas Meis* from some things only if he touches or carries it, and he can get *tumah* from other things just by being under the same roof!

PEREK DALED

In this *perek* we learn about the amounts that are needed to give *Tumas Meis*.

PEREK HEY

Becoming *Tomei* from *Tumas Meis* makes a person *Tomei* for 7 days, and only then can he become *Tahor*.
