#107

 This mitzvah includes all of the halachos of *Tumas Meis*, and does not have a specific posuk we learn it from.

Today's *mitzvah* is the same one as yesterday:

When a *neshama* leaves a body, the body becomes *Tomei*. Someone who touches or is in the same house as the body gets some of this *Tumah* too, called *Tumas Meis*. There are many *halachos* about what a person who has this kind of *Tumah* is not allowed to do, and how he can become *Tahor* again. Today's *mitzvah* is to follow all of these *halachos*!

Rambam: Hilchos Tumas Meis

PEREK VOV

We learn more about *Tumas Meis*. The Rambam writes about which kinds of things can become *tomei*. One *halacha* is that anything from the sea, like something made of fish skin, can't become *Tomei*.

PEREK ZAYIN

In this *perek*, we learn about *tumah* in a house.

PEREK CHES

Now we start to learn *halachos* about a *kever* and a *Beis Hachaim*.
