#100

 This mitzvah includes all of the halachos of *Tumas Yoledes*, and does not have a specific posuk we learn it from.

Today's *mitzvah* is about the kind of *Tumah* that a woman gets when she has a baby. There are *halachos* about how she can become *Tahor* again.

Rambam: Hilchos Metamei Mishkav U'Moshav

PEREK DALED

In today's Rambam, we learn more about *Tumah* coming from a person with certain kinds of "body" *Tumah*:

Sometimes a woman ISN'T counted as *tomei* for a day before she finds out she was *tomei* — we learn about when. If she is *tomei*, her clothes can become *tomei* too! We learn how to make them *tahor* again.

PEREK HEY

A person who became *tomei* with a body kind of *tumah* STAYS *tomei*, and keeps making things *tomei*, until he goes to the *mikvah*. Usually a person has to wait a certain amount of days until he is allowed to go to the *mikvah*, and we learn what happens if he goes early.

PEREK VOV

The Rambam explains how he makes other things *tomei*, like by sitting on them, lying down on them, or being UNDER them!
