#105

 This mitzvah includes all of the halachos of Shichvas Zera, and does not have a specific posuk we learn it from.

Today's *mitzvah* is the same as yesterday's. This *mitzvah* is about another kind of *tumah*, called *Tumas Shichvas Zera*, a kind of liquid that makes things *tomei*. We need to follow the *halachos* about how someone becomes *tomei* from *Zera*, and how to become *tahor*.

Rambam: Hilchos Shaar Avos HaTumos

PERAKIM TES-VOV, TES-ZAYIN, AND YUD-ZAYIN

In today's Rambam, we learn the *halachos* something that might have become *Tomei*. of "sofek" — when we are not sure about
