עשה  
#245

 We learn this mitzvah from Parshas Behar: (ויקרא כה:יד)

## וְכִי תִמְכְּרוּ מִמְכָּר לְעַמִּיתְךָ וְגו'

Today's *mitzvah* is the same as yesterday: it is about buying and selling the Torah way! Something isn't counted as finished being sold until the person was "*koneh*" it, showing that it's theirs. One way we can be *koneh* is to pick something up, or to use it. Our *mitzvah* is to follow all of these *halachos*!

 The details of this mitzvah are explained in Mishnayos & Gemara: Mesechta Kiddushin perek Alef, Mesechta Bava Metziah perakim Daled and Ches, and Mesechta Bava Basra perakim Gimmel, Daled, Hey, Vov and Zayin

## Rambam: Hilchos Mechirah

### PEREK DALED

In this *perek*, we learn that if something is put into your containers, it's like being put on your land, and can become yours. We also learn more about other ways for something to belong to you, like shlepping it or picking it up.

### PEREK HEY

Now we learn about buying things by trading one thing for another, like buying a cow by giving the other person a donkey. A person can even give something small, like a handkerchief, to show that it belongs to the other person. This has a bunch of *halachos* about how it works!

### PEREK VOV

The Rambam teaches us how to be *koneh* things that you usually use to buy other things, like money and documents.
